Vessels From Gulf Ports Stopped at Old Point.

SUBJECTED TO RIGID INSPECTION

Quarantine Officers Take Every Precaution to Prevent Yellow Fever From Being Brought Into Hampton Roads.

The United States quarantine officers, stationed at Old Point Comfort, are taking every possible precaution to prevent the dreaded "yellow jack" from being brought into Hampton Roads by foreign steamships and every foreign vessel coming to this port for bunker coal from the ports along the Gulf of Mexico, have to undergo a rigid inspection by Dr. John Haggess, Marine Hospital surgeon at Old Point and his corps of assistants, before they are allowed to come up to this port for bunker coal.

Yesterday morning the Spanish steamship Madrileño arrived at Old Point bound into this port from Mobile, Alabama, for bunker coal. Owing to the fact that it was reported that yellow fever had been discovered near Mobile, the ship was held in quarantine at Old Point for several hours, while the quarantine office made a thorough inspection of her. The vessel showed a clean bill of health, however, and was allowed to proceed to this port yesterday afternoon.

The British steamship Saratoga, bound to this port from Belize, British Honduras, with passengers, was also stopped at Old Point by the quarantine officials, and inspected, before she was allowed to proceed to this city. A very careful examination of the Saratoga was made by the officials and while she showed a clean bill of health the officials disinfected her throughout before they allowed her to enter the Roads.

There were no other arrivals at this port yesterday from Gulf ports. The quarantine officials at Old Point will not allow any ship from such ports to go to either this city or Norfolk without first being inspected.

Marine Notes

The big five-masted schooner Marie Palmer, which arrived in port yesterday from Boston, was towed to the shipyard in the afternoon and floated into dry dock No. 1, where she will have her hull cleaned and painted and slight repair work done on her bottom.

The German steamship Christiana arrived in port yesterday from Ham-

burg via New York with 500 tons of import cargo, which she will discharge here, after which she will load an export cargo.

Arrived Yesterday.
German steamship Christiana, Rose, Hamburg via New York.
Spanish steamship Madrileño, Luzaraga, Mobile.
British steamship Saratoga, Golden, Belize.

American steamship Lansing, Connor, New York and sailed for Port Arthur.
Schooner Marguerite, Tripp, Providence.
Schooner Alma E. A. Holmes, Smith, Boston.
Schooner Marie Palmer, Campbell, Boston.

Sailed Yesterday.
Schooner Governor Powers, King, Boston.
Schooner Robert H. Stevenson, Higbee, Salem.

Calendar For This Day.
Sun rises 5:07 a. m.
Sun sets 7:16 p. m.
High water 6:42 a. m., 7:08 p. m.
Low water 10:44 a. m., 12:41 p. m.

OPENING OF NEW BALL PARK TODAY

Mayor Buxton Will Throw First Ball Across Plate—Locals and Artillery School.

The new baseball park, which has been erected on the Casino for the Newport News baseball club by the Merchants Association, will be formally opened to the public this afternoon, at 3:30 o'clock, with a baseball game between the local team and the fast nine from the Fort Monroe Artillery School.

Mayor S. R. Buxton will pitch the first ball across the plate at the opening of the game and after that the contest will start in earnest.

The grand stand, which will seat 300 people was completed last night and this morning the canvas fence will be put up around the field, so that everything will be in readiness for the opening of the park this afternoon. Yesterday the work of scraping the diamond was completed and this morning the bases and pitcher's box will be laid off.

Ladies will be admitted free to the field and grandstand at every game.

Dr. Louis Lech, manager of the local team, stated last night that First Lieutenant Sheen, of Fort Monroe, will be the official umpire of this afternoon's game and clean sport is promised.

PLANS ARE APPROVED

East End Storm Water Sewer to be Reality Soon.

REPORT OF THE COMMITTEE

Recommend That Work be Started as Soon as Possible—Eight Thousand Dollars in Hand for the Carrying Out of Project.

Plans for the storm water sewer, with which it is proposed to drain certain sections of East End and thereby do away with the pumping station, were submitted to the highways and sewers committee of the city council last night by City Engineer Pearce. The plans were approved and a report will be sent to the common council Tuesday night recommending that the work on constructing the sewer be started at once.

Eight thousand dollars has already been provided by the council for the construction of the sewer and if both branches approve of the plans it is probable that Superintendent of Sewers O'Donnell will be instructed to proceed with the work.

The sewer will begin at the intersection of Roanoke avenue and Thirty-first street. It will go down Roanoke avenue to Twenty-first street, east on Twenty-first street to Oak avenue, south on Oak avenue to Twenty-eighth street and east from that point to Satter's Creek.

The pumping station is now costing the city about \$5,000 per year and it is estimated that the money saved in two years by abolishing the station would more than pay for the sewer.

Mr. G. T. Uzzell appeared before the highways and sewers committee, which met in regular session last night, and complained that four sewer connections on Twenty-fifth street, between Washington and West avenues, were stopped up. After considerable discussion Mr. Uzzell was informed that he would have to deposit a certified check for the amount prescribed by ordinance and that when this was done the city would cut through the asphalt paving and open the connections. If it is found that the city is at fault, the check will be returned to Mr. Uzzell, but if the connection has been clogged by the property owner or his tenants, he will have to pay for repairing the paving, etc.

The committee audited bills and transacted other routine business. Messrs. Robinson, Burcher and Ketchum were present.

HAMMON WINS FROM COCKE.

Club Champion Takes First Victory in Tennis Tournament.

The first games of the Hampton Roads Golf and Country Club tennis tournament were played yesterday afternoon on the Abbe court, Twenty-sixth street, when Mr. Harry Hammon, champion of the club, took two straight sets from Mr. W. L. Cocke.

Mr. Hammon won the first set easily, winning six games to his opponent's two. There was some first class playing during the second set, in which Hammon won seven games and Cocke won five.

W. C. BOATWRIGHT DEAD.

Old Resident of This City Passes Away in Frederickburg.

Mr. Boatwright had been a resident of this city for ten years. For a long time he was chief of police of Bloodfield. At the time of his death he was in the employ of the shipyard as a special officer. He is survived by three daughters, Mrs. J. G. Smith and Misses Nellie and Beulah Boatwright, of this city.

The funeral will take place in Frederickburg today.

Peter Dunn Dead.

Peter Dunn, aged 38 years, died last night at 11 o'clock at his residence, 222 Forty-second street. The deceased was a native of Scotland, and came to this city from his native home about a year ago. He was until recently employed in the shipyard as a chipper and calker. He is survived by a wife and two children. The funeral will take place from the St. Vincent's Catholic church Monday morning at 9 o'clock. Rev. Father Kelley will conduct the services and interment will be made in Greenlawn.

Mrs. Peltz Returns Home.

Mrs. Marie Peltz, who suddenly disappeared from her home ten days ago, put in her appearance Thursday night. She explained to her husband, David Peltz, that she had been to New York to visit relatives.

Off For New York.

The United States collier Hannibal, which completed loading a cargo of coal here Thursday, sailed yesterday for New York.

Delightful Launch Party.

Mr. Oliver Wynne gave a delightful launch party on the "Annabel Lee" last night in honor of Misses Alice Newcome and Marguerite West, of Petersburg. The party went to Pine Beach, returning about midnight. In the party were Misses Newcome and West, Miss Paula Hahn, Miss Camm Wynne, Miss Minna Wynne and Misses Kate and Gwendolyn Evers; Messrs. Oliver and Waller Wynne, S. M. Ripley, G. W. Maynard and Rev. Mr. Bryan. The chaperones were Mr. and Mrs. L. C. Collins, Mr. and Mrs. Hanning and Mr. and Mrs. G. W. Brown.

NO RIOTING AMONG ZIONISTS.

Simply a Little Scuffling and Exchange of Blows at Casino.

(By Associated Press.)

BASLE, SWITZERLAND, July 28.—The reports that rioting occurred at yesterday's session of the Zionist congress are incorrect. This morning, however, while the delegates were arriving in the hall considerable scuffling occurred in the hall ways and stairways of the Casino. This caused a scene of angry gesticulation and shouting. Blows were exchanged and the police intervened and cleared the stairways of the disorderly element.

The congress held a lively session over the special order of the day, for the establishment of a Zionist colony in East Africa.

Sir Francis Montefiore contended for Palestine as a more proper site for colonization. The debate continued all afternoon without result and will be continued tomorrow.

PRESIDENT AT CONEY.

Goes to Inspect Institutions to Improve Condition of Poor.

NEW YORK, July 28.—President Roosevelt made a visit to Coney Island today, to inspect the institutions established by the state of New York to improve the condition of the poor.

The President was accompanied by Mrs. Roosevelt and Jacob Riis. The trip from Oyster Bay to Seagate was made on the naval yacht Sylph.

The President, Mrs. Roosevelt and their party called at the Sea Breeze home, an institution for patients who are afflicted with tuberculosis of the bone. The party made a complete tour of the ward and had a cheery word for all of the patients. The President returned to Oyster Bay on the Sylph.

China, Japan and Assam.

SYLVAN BEACH, N. Y., July 28.—China, Japan and Assam, the frontier fields of the United States were represented by the speakers today at the meeting of the Young People's Missionary movement conference in session here. Dr. A. L. Phillips of Richmond, Va., led the discussion on the Sunday school and missions at the institute here.

Truths that Strike Home

Your grocer is honest and—if he cares to do so—can tell you that he knows very little about the bulk coffee he sells you. How can he know, where it originally came from, how it was blended—or with what—or when roasted? If you buy your coffee loose by the pound, how can you expect purity and uniform quality?

LION COFFEE, the LEADER OF ALL PACKAGE COFFEES, is of necessity uniform in quality, strength and flavor. For OVER A QUARTER OF A CENTURY, LION COFFEE has been the standard coffee in millions of homes.

LION COFFEE is carefully packed at our factories, and until opened in your home, has no chance of being adulterated, or of coming in contact with dust, dirt, germs, or unclean hands.

In each package of **LION COFFEE** you get one full pound of Pure Coffee. Insist upon getting the genuine. (Lion head on every package.) (Save the Lion-heads for valuable premiums.)
